Instructions for Special Agricultural Homestead - Re-Application

Filing Requirements

The grantor and/or active farmer must complete, sign, and file this re-application by **December 31** of the current assessment year.

Complete this re-application if:

- The ownership structure and farming operation of the agricultural property has not changed
- The owners and persons actively farming the property still live within four cities or townships of the property
- The owners and persons actively farming the property are still Minnesota residents
- The operator that is listed with the Farm Service Agency has not changed
- A Schedule F or equivalent income tax form was filed for the most recent year
- The property's acreage has not changed
- None of the property's acres have been enrolled in a federal or state farm program (such as RIM/CREP/CRP) since the initial application

If any of the above requirements have changed in the past 12 months, do not complete this form. You must contact the assessor's office and request a new application.
