NEWS RELEASE

DATE: April 9, 2024 **CONTACT:** Jona Jacobson
Becker County Maintenance Superintendent

TO BE RELEASED: Immediately

2024 SEASONAL ROAD RESTRICTIONS

Becker County Highway Department advises all drivers of private and commercial trucks and truck-trailer vehicles that Spring Load Restrictions on Becker County roadways will be lifted on Friday, April 12, 2024. All load restriction signs shall govern until such time as they are removed.

In accordance with Minn. Stat. §169.825, the maximum allowable weights on Becker County Highways, unless posted otherwise, shall be:

SINGLE AXLE
18,000 Lbs.

TANDEM AXLE
8 ft. or less axle spacing
34,000 Lbs.

TRIDEM AXLE
9 ft. min. axle spacing
43,000 Lbs.

If you have any questions, interested parties may contact the Becker County Engineer's Office in Detroit Lakes at (218)847-4463.
