

March 14<sup>th</sup>, 2026

**County of Becker, Minnesota**  
**Request for Proposals (RFP)**  
**General Engineering Services for Stormwater**  
**and Land Alteration Permitting**

Becker County is soliciting proposals from qualified engineering firms to provide ongoing, as-needed technical support. The selected Consultant will assist the County staff with reviewing development proposals, stormwater management applications, land alteration permits, evaluating compliance with County ordinances, preparing technical recommendations, and performing other related tasks as directed.

Questions will be accepted until March 30<sup>th</sup>.

Responses to questions will be given by April 6<sup>th</sup>.

Proposals will be accepted until April 13<sup>th</sup>.

A full copy of the Request for Proposal is available at [co.becker.mn.us](https://co.becker.mn.us)

All questions and proposals can be sent to Becker County Planning and Zoning Administrator Kyle Vareberg at [kyle.vareberg@co.becker.mn.us](mailto:kyle.vareberg@co.becker.mn.us)
